the subject this teacher is assigned to.
Clicking on here will display the form below, empty. The form title will read "Adding..."
Clicking on here will display and populate the form below. The form title will read "Editing..."
This labels are hidden while the form is displayed.
This form will have two modes: "editing" and "adding". When editing mode, this button is "Submit", while in adding mode is "Adding". In edit mode, Submit button will post the changes, Cancel won't; both buttons will close the form.
In adding mode, Add button will post the data and clears the form for a new data. Cancel button will close the form without submitting anything.
