Submit Cancel

Clicking in a student name will put all grade fields en edit mode. Two buttons, "Submit" and "Cancel" will appear here, while in edit mode. One will send data to the server, the other will cancel any change. Both return to browse mode.

Clicking in a grade header will put all the fields of that column in edit mode. Submit and Cancel button will appears as well.

Scroll bars won't be displayed but the table will be scrollable if necessary.

Clicking on here will display the form below, empty. The form title will read "Adding..."

Editing the evaluation plan

Description:

Date:

Percentage:

Clicking on here will display and populate the form below. The form title will read "Editing..."

This labels are hidden while the form is displayed.

This form will have two modes: "editing" and "adding". When editing mode, this button is "Submit", while in adding mode is "Adding". In edit mode, Submit button will post the changes, Cancel won't; both buttons will close the form. In adding mode, Add button will post the data and clears the form for a new data. Cancel button will close the form without submitting anything.

teacherprofile.html ("teacher/profile", get)

The screenshot shows a web form titled "Teacher profile". At the top, there is a navigation bar with links: [Stats](#), [Announcements](#), [Roster](#), [Schedules](#), [Profile](#) (highlighted with a yellow box), and [Log out](#). Below the navigation bar, the form contains several input fields: "First name:" with the value "Tadeo", "Last name:" with the value "Jones", "Email address:" with the value "tadeojones@gmail.com", "User name:" with the value "tadyjones", "Password:" with masked characters "\*\*\*\*\*", "Retype password:" with masked characters "\*\*\*\*\*", "Address:" with the value "1 N 1st Ave, North Pole, CP 1", and "Phone number:" with the value "(000)000.00.01". At the bottom of the form is a "Submit" button. Annotations with arrows point to various elements: "Not in MVP" points to the "Stats" link; "go to #7" points to the "Announcements" link; "go to #8" points to the "Schedules" link; "This is here" points to the "Profile" link; "Logs out and go to #1" points to the "Log out" link; "Non editable" points to the "First name" and "Last name" fields; and "A pop up windows will show up notifying the changes have been posted" points to the "Submit" button.
